

March 16, 2020

Dear Lake Wylie Marine Commission Stakeholders,

There is no higher priority for the Lake Wylie Marine Commission than ensuring the safety of our stakeholders, constituents, and lake communities. With all of the news alerts about the coronavirus (COVID-19), we want to assure you that the LWMC is closely monitoring the situation and has put procedures in place that follow the Center for Disease Control (CDC) guidelines to ensure the safety of our constituents, stakeholders, and staff.

With this in mind, we are canceling the March 23, 2020 meeting of the LWMC. The Marine Commission will continue its regular duties and provide a full detail of what transpired during March at the April 27, 2020 meeting.

Any questions or concerns can be forwarded to the LWMC website, [www.lakewyliemarinecommission.com](http://www.lakewyliemarinecommission.com).

Stay Healthy and Keep Calm and Carry Wipes (if you can find any to buy)!

Kind regards,
